No:388, kudagodagama, Kosgoda.

PROFILE SUMMARY

Motivated Computer Science undergraduate with hands-on experience in web development, UI/UX design, and full-stack projects. Skilled in React, JavaScript, SQL, and MongoDB, with a strong ability to create clean, user-focused applications. Experienced in developing e-commerce, pharmacy, restaurant, and travel platforms. Passionate about quality assurance, user-centered design, and building practical software solutions that solve real-world problems.

EDUCATION

BSc (Hons) Degree in Computer Science *2023 - Present*

- SLIIT City University

(GCE) Advanced Level (MATHS/PHYSICS/CHEMISTRY) *2016 - 2019*

- K/Gurulugomi maha vidyalaya

PROJECTS

Sri Lanka Roads | Travel Package Booking Website (Ongoing)

- Currently developing a travel package booking platform where customers can view available packages, select the preferred package, and proceed with online payment. After payment, the customer will travel to Sri Lanka and start the selected tour package.

Technologies: Figma,React.js,MongoDB

Handicraft | E-commerce Full-Stack Website

- Created Handicraft website , an e-commerce platform for traditional handcrafted products and modern artisanal designs, highlighting cultural craftsmanship with a contemporary appeal.

Technologies: JavaScript,HTML,CSS,PHP,MySQL

Red | Android Restaurant App

- Red Restaurant App is a sophisticated Android based food delivery application designed specifically for a restaurant's online ordering system. The app allows users to browse the restaurant's menu, customize orders, and schedule deliveries, providing a seamless experience from browsing to checkout.

Technologies: Java

Rajapakshe Pharmacy | MERN Stack Web Application

- Designed clean and user friendly UI screens for the online pharmacy system, including pages for buying medicine, booking doctor appointments, and uploading prescriptions. I also created admin interfaces and worked with the team to ensure a smooth user experience.

Technologies: Figma, React.js, MongoDB

CERTIFICATION

- **The project management course :** Udemy — *2025*
- **Web development Course :** University of Moratuwa — *2025*

INTERESTS

- UI/UX Design
- Web Application Development
- Project Management

PROFESSIONAL SKILL

Technical Skills

- **Programming :** C, C++, Java
- **Web Development :** HTML, CSS, JavaScript , React JS , Tailwind CSS , Bootstrap
- **Database Management :** SQL , MongoDB
- **Networking :** VLAN Configuration , Wireless Security Protocols
- **Tools & Software :** VS Code, Android Studio,Cisco Packet Tracer, Wireshark, RStudio, phpMyAdmin , Power BI, Figma , Postman

Soft Skills

- Teamwork
- Teaching
- Problem Solving
- Communication
- Leadership
- Time management
- Creativity
